

SPARK Youth Reps

SPARK Youth Reps is an open, ongoing group of youth ages 13–22 who are interested in SPARK’s vision to empower adolescents for their best tomorrow and optimize adolescent and young adult health and well-being.

The purpose of this group is to provide youth perspectives to a variety of projects on an as needed basis. This opportunity is great for young people who want their voice to be heard and contribute to positive outcomes in adolescent health, with the added benefit of flexibility to choose what projects to be involved in.

Projects may include:

- Brief surveys
- Social Media Posts
- Recording/creating Videos
- Resource development

Youth Reps earn points by participating in different projects for the SPARK Campaign. Points can be redeemed in exchange for \$25 gift cards!

About SPARK

SPARK stands for Sharing Practical Adolescent Resources and Knowledge. SPARK is the Community Adolescent Pregnancy Prevention media and communications campaign. This campaign provides a holistic approach to adolescent pregnancy prevention by raising awareness to relevant topics and creating materials for both adolescents and the adults that support them. The media campaign will be implemented through social media posts, marketing materials, promotional items, toolkits, videos, and more. The 2024-2025 campaign focuses on four topics: Self-Advocacy, Healthy Relationships, Health Technology, and Health & Well-being.
